RECOMMENDED PROGRAM EXPANSION EMPHASIS AREAS

Add support for essential workers and for people with special transportation needs

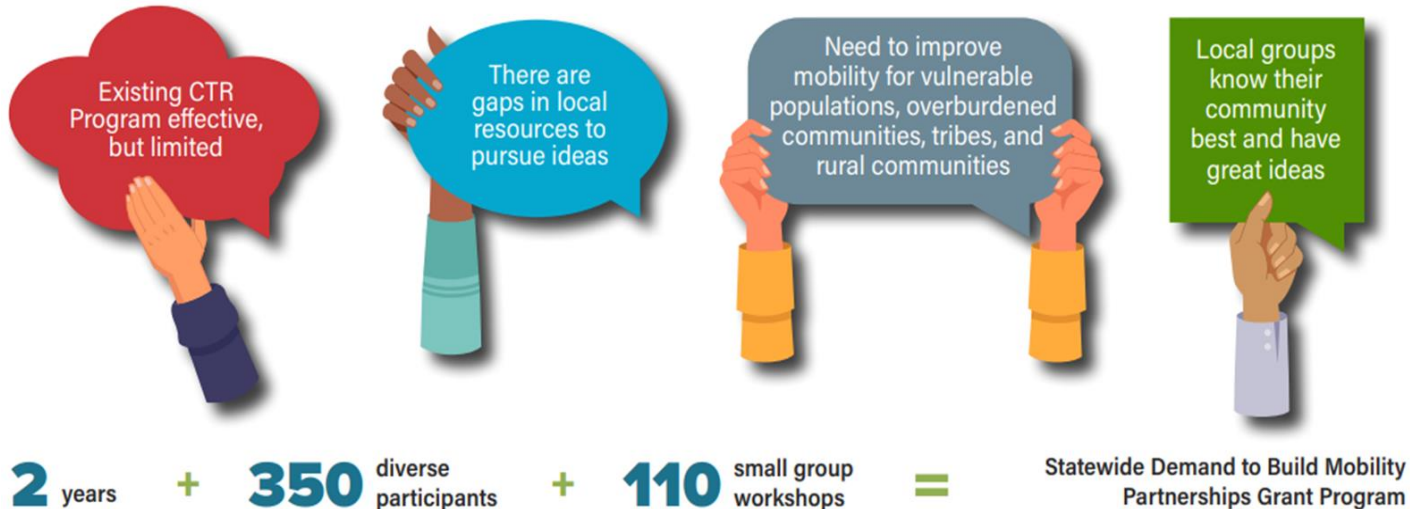

Improve mobility in more locations

Address a larger share of urban congestion

Where **we've** been: 2022

- Developed technical report
- Presented to House Transportation Committee
- Decided to not open the CTR Law for 2023 legislative session
- Secured additional CTR funding in Move Ahead Washington transportation funding package
- Created Mobility Partnerships Grant proposal through significant stakeholder engagement

\$25M Mobility Partnerships: State Grant Proposal

WHAT COULD A NEW MOBILITY PARTNERSHIP GRANT PROGRAM ACHIEVE?

More mobility for more people

Resources for under-served communities

Reduction in greenhouse gas emissions

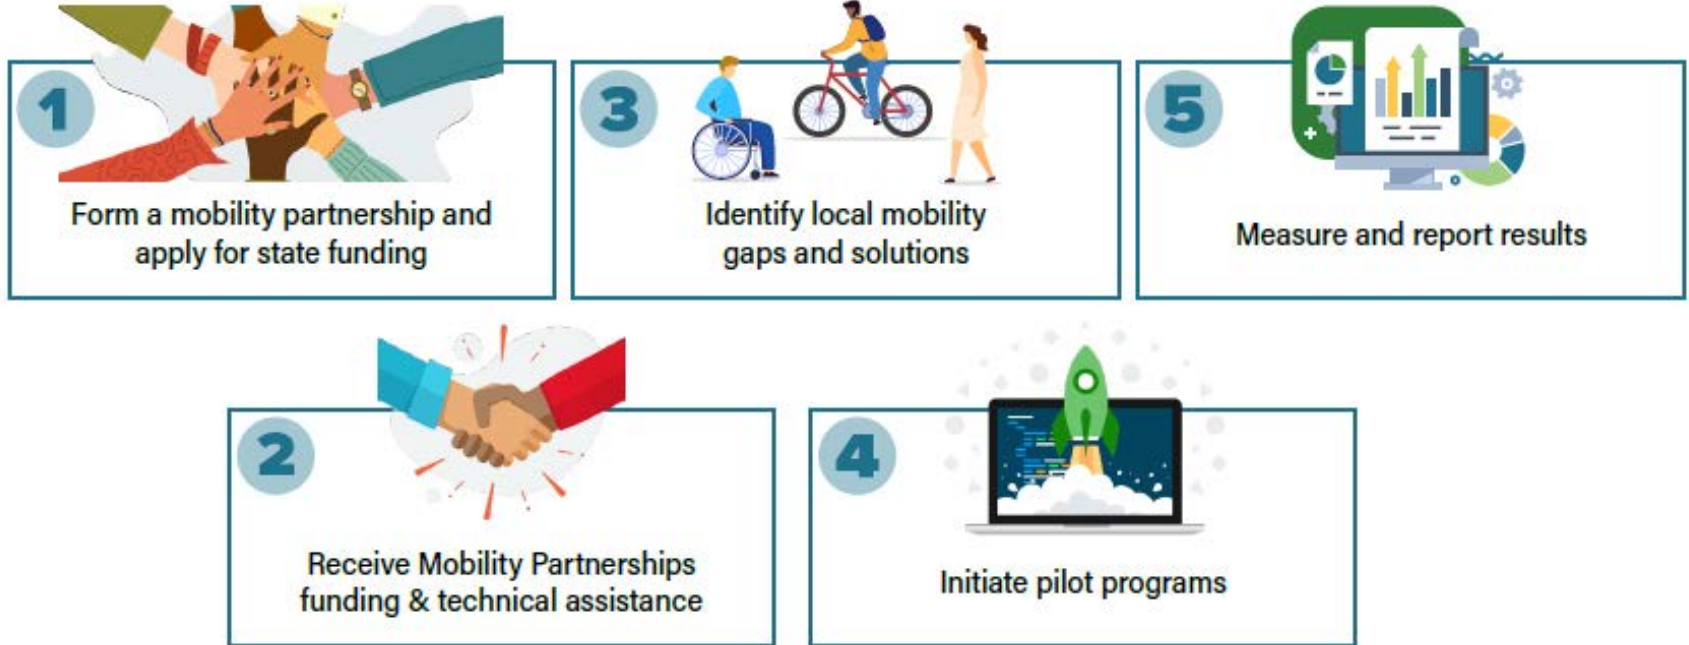

Improved health, safety, and resiliency

Enhanced accessibility where it's needed most

\$25M Mobility Partnerships: State Grant Proposal

HOW WOULD MOBILITY PARTNERSHIPS WORK?

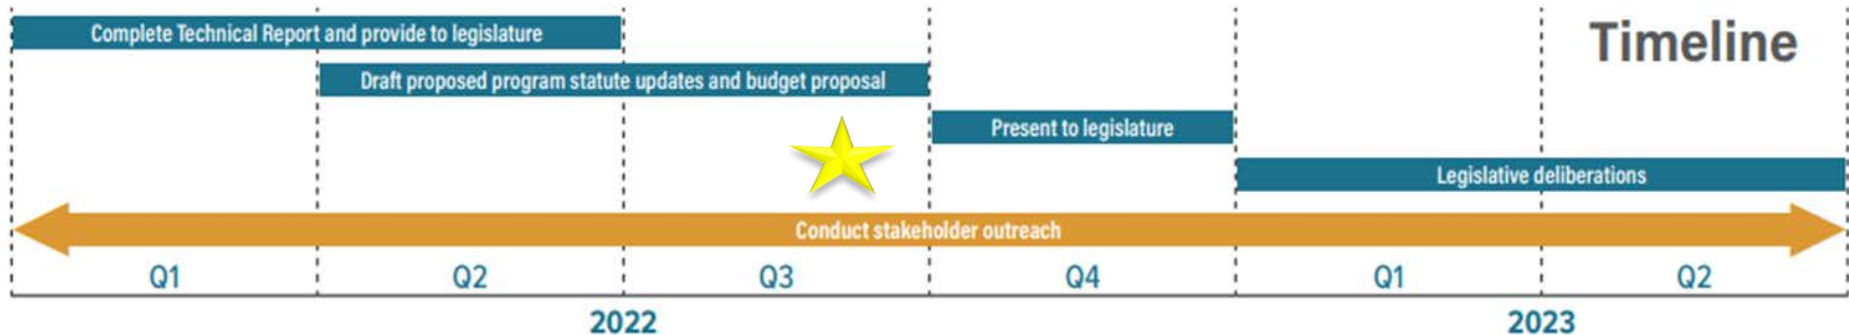

Positive stakeholder feedback

- Governor's policy staff
- Office of Financial Management
- WSDOT government relations
- Senate and House Transportation Committee staff
- Washington Association of Cities
- Individual cities are considering prioritizing Mobility Partnerships in 2023 legislative session

Next Steps

- Create stakeholder committee to support proposal
- Brief legislators and stakeholder groups
- Submit proposal to legislature
- Identify new funding that increases overall public transit allocation
- Provide technical assistance to TDM Technical Committee, TDM Executive Board, and other proposal champions in 2023 legislative session

Discussion questions

- What's one thing you like about the proposal?
- Does anyone have any questions about the proposal?
- Would you endorse the proposal?
