Performance
Measures

Nov 2023-Dec 2024:

**Develop workplan
& timeline, to
complete plan by
June 2025**

**Identify & Review
Resources**

**Develop plan
content & draft
plan**

**Engage public &
stakeholders**

**Integrate with
regional 4-year
plan**

**Obtain TDM
Technical
Committee
approval**

January – June 2025:

Obtain approval
for city / county
plans

Engagement with:

**General
Public**

**Vulnerable
Populations**

**Other
Stakeholders**

Other stakeholders could be:

policymakers,
leaders, and elected
officials

representatives of
major employers

local transit agencies

the RTPO

business associations
& economic
development
organizations

nonprofit
transportation & land
use advocacy
organizations

pedestrian & bicycle
advocacy
organizations

public health
agencies

tribal governments

employees &
businesses that will
be affected by the
CTR plan

Plan development should:

**Review of transit,
comprehensive and
regional
transportation plans**

**Include
City/County/Region
collaboration**

**Answer all topics in
required content list**

**Seek local elected
officials' approval of
CTR plan**

**Identify how
vulnerable
populations are
impacted by CTR plan**

**Determine if CTR
ordinance needs
updating**
