

# CTR Survey Tool Recent Updates

---

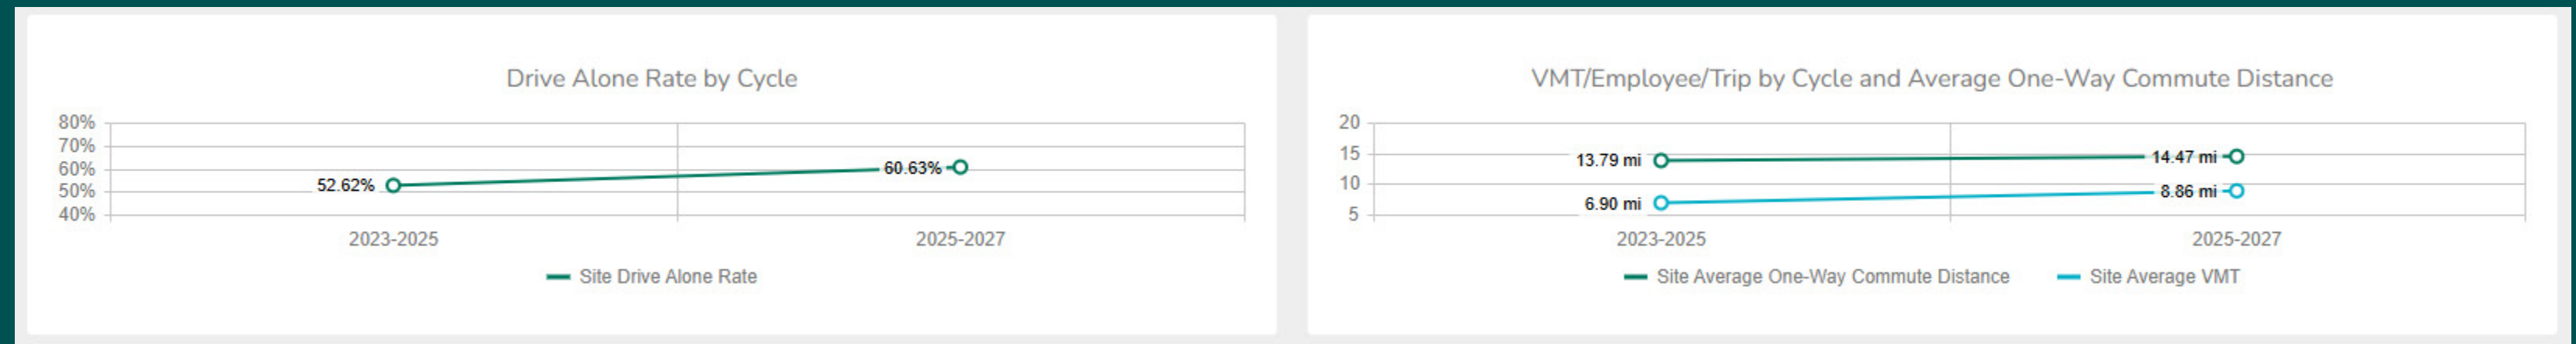

**Washington State  
Department of Transportation**

October 1, 2026

# In case you missed it...

## Previous notable updates:

- Exportable program reports launched
- Jurisdiction templates automated
- Biennium comparisons deployed

*Sample of worksites' comparative display.*

# Centralized Worksite Administration

## Key Update:

WSDOT staff now directly  
manage worksite:

1. Status (e.g. Active, Inactive)
2. Address

## Benefit:

Ensures regional data  
consistency, standardization,  
and rigorous quality control

# Streamlined Worksite Relocations

## Key Update:

Relocated worksites retain  
their existing Worksite ID

## Benefit:

Preserves historical data  
continuity and long-term  
tracking metrics
